

Find out which separation approach could work for you

START THE Q&A

Divorce & Separation Checklist

If you are going to separate, here are 15 things you need:

- 1 Understand the process of separation and divorce, and how to navigate the maze

- 2 Assess your level of amicability with your partner – that is, can you be reasonable with each other to help make the process faster and less stressful, costly and time consuming?

- 3 Speak with trusted services
 - ➔ Mediators
 - ➔ Lawyers
 - ➔ Financial Advisors
 - ➔ Accountants
 - ➔ Psychologists
 - ➔ Counsellors

- 4 Assess your eligibility for Legal Aid

- 5 Understand your legal rights from a trusted source

- 6 Record your date of separation

- 7 Plan for where you and your partner will live during and after the separation

- 8 Make a detailed list of the needs of your children such as their health, activities and wellbeing

- 9 Make a detailed parenting plan for your children

- 10 Make a detailed list of your pool of assets and liabilities

- 11 Consider how you and your partner might fairly divide your assets and liabilities

- 12 Create a record of your financial and non-financial contributions to the relationship

- 13 Consider your current living expenses and what you might need in the future

- 14 Make a plan to manage your own health and wellbeing during and after your separation

- 15 Make a plan for who will care for the family pets
